Leandro Miguel Tupas

Brand and Graphic Designer

Summary

Graphic and Brand Designer with 5+ years of experience creating visual identities, digital content, and marketing materials for organizations, businesses, and creative teams. Skilled in brand design, logo development, social media design, and visual communication, with strong proficiency in Adobe Creative Suite and Figma. I combine creative thinking, attention to detail, and collaborative problem-solving to create cohesive designs that effectively communicate a brand's identity and goals.

Experience

Design.com — In-House Designer

JAN 2025 – OCT 2026

- Created and contributed to 5,000+ design assets within one year, spanning social media graphics, logos, brochures, posters, and other digital and print materials.
- Supported 100+ small businesses in establishing and strengthening their social media presence through tailored visual content and branding.

Brickroad Studios — Freelance Graphic Designer

DEC 2024 – NOV 2025

- Designed social media content for Brickroad Studios, creating engaging visual assets that supported the company's online presence and marketing initiatives.
- Developed the brand identity for Wünderbar, a mobile pop-up bar, creating a cohesive visual direction that reflected its concept and helped establish a distinct and memorable brand presence.

Advenient/SUM — Graphic Design Intern

JUL 2024 – DEC 2024

- Created social media graphics, brochures, booklets, presentation decks, and other digital and print assets for a diverse range of clients.
